Our matriculants are meticulously busy preparing for their record exams which will kick off on the 31st of August. We wish them all the best and hope that they will earn the rewards of their hard work. Matric parents are encouraged to assist their matric learner during this time and make sure that their academics receive priority.

The u/16 Hockey boys are still undefeated after they won Hopefield again, with a score of 3-0! This hockey team is definitely a team to keep an eye on. Congratulations to the hockey girls who tied 2-2 in a nail biting match. LAPS netball and rugby teams also did well against Veldrift.

Parents are reminded that sports practices will end the week. The learners should start preparing for the September test series. Familiarise yourself with the test schedule on the next page and be aware when your child writes what subject.

Thank you for all the raffle money raised so far.
